ALIGNED COLLEGE MATH (ASA)
Effective Date 1/1/12

Cuyahoga Community College & North Coast Tech Prep Partnership & High Tech Academy
ARTICULATION AGREEMENT
Leading to the Cuyahoga Community College
ASSOCIATE DEGREE

Cuyahoga Community College (Tri-C), members of the North Coast Tech Prep Partnership and all Math classes that are active participants in the **Aligned College Math Program,** enter into this agreement to offer articulated credit to qualified students who successfully complete high school math classes that are aligned with Tri-C Math 0980 and Math 1200. The goal of the Aligned College Math Program is to prepare high school students for entry into postsecondary education without the need for remediation in Mathematics.

Criteria for Granting College Credit for College Math 1200

- Students must pass the 2011-2012 Tri-C final for Math 0980 and Math 1200 with a "B" (80%) or better grade.
- Students must maintain a 3.0 or better GPA in their Aligned College Math class.
- Students who meet the above requirements and pass the 2011 – 2012 Tri-C Math 1200 final with a grade of "B" (80%) or better are exempt for one year from the mandatory Math Placement Test at Tri-C. Students applying for the Post Secondary Enrollment Options Program (PSEOP) must take the Tri-C Placement Test.
- Class lists of eligible students are established at the high schools and Tri-C.
- Classes will include Plato® Academic Systems Algebra software as part of the classroom instruction
- Only those classes that are aligned with Tri-C Math 0980 and Math 1200 and whose teachers participate in Aligned College Math are eligible.
- Teachers must submit the following documentation to the Tri-C math faculty representative: a copy of each student's final exams (2011 – 2012 Tri-C Math 0980 and 1200 exams by June 13, 2012) along with each student's final grade in the course; a completed Aligned College Math electronic spreadsheet; and, the Section Progress Report (Quiz Report) in pdf. format from Plato® Academic Systems Algebra for each section or class. A completed green Tri-C application for each student must be submitted to the Tech Prep Office by December 2011.

Students who have met the criteria above and have maintained a **2.0** or better overall GPA in grades 9 through 12 will receive College credit for the following course upon the receipt of a final transcript of grades from the students' high school.

Specific course for which the student is eligible to receive credit:

MATH 1200 Intermediate Algebra 4 Semester Credits

*Agreements are open for review on a yearly basis as deemed necessary by the high school or college, and are effective for June 2012 graduates from the approved College Tech Prep Programs listed on page one of this agreement.

I do hereby certify that to the best of my knowledge the information given on this articulation agreement is complete, and that any misrepresentation may be cause for denial of articulated credit. I authorize each high school I have attended to release academic information to Cuyahoga Community College.
