Leading to an Associate Degree at Cuyahoga Community College:

For the purpose of this agreement, a Tech Prep student is defined as a student who is enrolled in and completed the prescribed program of study for grades 9-12. This program of study has been identified and approved by high school and college administrators and business and industry representatives as a curriculum that provides the students with the academic and technical competencies that have been developed through a Career Field Technical Content Standards Review Process or similar procedure. This process ensures a seamless learning progression of technical and academic skills from high school through college.

TO RECEIVE CREDIT THE STUDENT MUST:

1. Earn a 3.0 GPA in an approved high school Tech Prep Program.
2. Earn a high school cumulative GPA of 2.0 or higher in grades 9 through 12.
3. Pass Algebra 2 (or equivalent) prior to graduation from high school.
4. Maintain 95% attendance in Tech Prep Program.
5. Submit a CCC application prior to graduation from high school.
6. Submit an Articulation Agreement, signed by the student and high school teacher, prior to graduation from high school.
