ACT/COMPASS PREP MATH
Effective Date 1/1/10

Cuyahoga Community College & North Coast Tech Prep Consortium
ARTICULATION AGREEMENT
Leading to the Cuyahoga Community College
ASSOCIATE DEGREE

Cuyahoga Community College (Tri-C), members of the North Coast Tech Prep Consortium and all high schools that are active participants in the **ACT/COMPASS Prep Math Program,** enter into this agreement to offer articulated credit to qualified students who successfully complete high school math activities that are aligned with Tri-C Math 1200. The goal of the ACT/COMPASS Math Program is to prepare high school students for entry into postsecondary education without the need for remediation in Mathematics.

Criteria for Granting College Credit for College Math 1200

- Students must take the COMPASS Placement Test or PLATO Pre-Assessments for Tri-C Math 1200 prior to using the ACT/COMPASS Prep math courseware.
- Students scoring at or below the Tri-C Math 1200 level may use the ACT/COMPASS Prep math courseware under the supervision of a high school faculty member(s). Only those students using the ACT/COMPASS Prep math courseware and whose teachers participate in the ACT/COMPASS Prep Math Program are eligible.
- Students must take the COMPASS Placement Test after using the ACT/COMPASS Prep math courseware. **Students scoring above the Tri-C Math 1200 level*** on the COMPASS Placement test will be eligible to take the Tri-C Math 1200 final.
- Students must pass the 2009 – 2010 Tri-C final for Math 1200 with a "B" (80%) or better grade.
- Lists of eligible students are established at the high schools and Tri-C.
- Participants will use Plato® ACT/Compass Prep math courseware as the primary delivery mechanism.
- Teachers must submit the following documentation to the Tri-C math faculty representative: a copy of each student's final 2009 – 2010 Math 1200 exam, a signed articulation agreement, and a printout of the PLATO Pre-Assessment score or the COMPASS Math Placement test score. A completed green Tri-C application for each student must be submitted to the Tech Prep Office by February 8, 2010.

  *** A score of 66 or higher in the Algebra test placement domain, OR any score in the College Algebra test placement domain, OR any score in the Trigonometry test placement domain.**

Students who have met the criteria above and have maintained a **2.0** or better overall GPA in grades 9 through 12 will receive College credit for the following course upon the receipt of a final transcript of grades from the students' high school.

Specific course for which the student is eligible to receive credit:
MATH 1200 Intermediate Algebra **4 Semester hours**

This agreement is open for review on a yearly basis as deemed necessary by the high school or college.

I do hereby certify that to the best of my knowledge the information given on this articulation agreement is complete, and that any misrepresentation may be cause for denial of articulated credit. I authorize each high school I have attended to release academic information to Cuyahoga Community College.
