

Ready for College. Ready for Life.

TECH PREP

What is Tech Prep?

Tech Prep gives you a head start in college!

- **College Credit for High School Classes**

Your transition into college is smooth!

- **Two Years High School + Two Years College**

Plus! Four year college options through partnerships with other Ohio universities!

How do I get into Tech Prep?

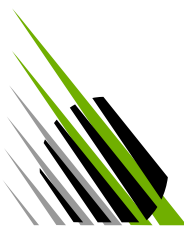

- Talk with your parents or guardian
- See your school counselor
- Choose a Career and Technical program at your high school or career center

What's in it for ME?

- You save tuition \$ because you earn FREE college credit while in high school!
- Scholarships Available!
- Combine career training with College Prep Academics!

There is a
Tech Prep Program
for every interest!
