**Leading to an Associate degree at Cuyahoga Community College:**

For the purpose of this agreement, a Tech Prep student is defined as a student who is enrolled in and completed the prescribed curriculum pathway for grades 9-12. This pathway has been identified and approved by high school and college administrators as a curriculum that provides the students with the academic and technical competencies that have been developed through a Career Field Standards review process or similar procedure. This process ensures a seamless learning progression of technical and academic skills from high school to college.

**TO RECEIVE CREDIT THE STUDENT MUST:**

1. Earn a 3.0 GPA in an approved high school Tech Prep Program.
2. Earn a high school cumulative GPA of 2.0 or higher in grades 9 through 12.
3. Pass Algebra 2 (or equivalent) prior to graduation from high school.
4. Submit a CCC application prior to graduation from high school.
5. Submit an Articulation Agreement, signed by the student and high school teacher, prior to graduation from high school.
