

# SENIORS – This is for YOU!

## Your Guide to Free College Credit

### Tech Prep Student Checklist

#### Before March 1 of your senior year ...

- 1 Complete a CCC Application** and submit it to your Tech Prep teacher before March 1 of your senior year.

#### Before May 1 of your senior year ...

- 2 Complete your Articulation Agreement** and submit to your Tech Prep teacher for signature before May 1 of your senior year.
- 3 Complete a Bridge Course Application** (*if your Tech Prep program requires one*). Have it signed by your parent or guardian, and submit to your Tech Prep teacher before May 1 of your senior year.

- 4 Schedule a Math and English Placement Test**  
(Special Note: Students who have passed Math 0980 and/or Math 1200 will take only the English Placement Test)

OR

Request to have an official ACT score report sent directly to Cuyahoga Community College from ACT. (ACT scores need to be 21 or higher in Math and 20 or higher in English to bypass placement tests)
